

solving. Students will be expected to use appropriate graphs to illustrate their answers.

Individual instructors may have additional requirements posted below in the Supplemental Information section and in your course.

Cyber Day: (Suggestions for [Cyber Day](#) sessions can be found on the website. *Add specific instructions here.*)

**Disability Support Services:** Wilmington University actively supports the rights of students with disabilities to have equal access to education. Wilmington University makes every reasonable effort to accommodate the needs of students with disabilities. Students must contact and self-identify with the Office of Disability Services at the New Castle Campus-Pratt Student Center and furnish [proper documentation](#) of their disability in order to receive available services and/or accommodations.

**Student Code of Conduct:** Wilmington University is a community of individuals who come together to learn, work and grow in character. Students are expected to conduct themselves in a mature and responsible manner that demonstrates commitment to the ideal of honorable behavior for oneself and the community as a whole. Students are also responsible for being familiar with and abiding by the policies and regulations of the University, which are communicated in the [University Student Handbook](#).

**Changes to the Syllabus:** The instructor reserves the right to change the contents of this syllabus due to unforeseen circumstances. Students will be given notice of relevant changes in class, through a Canvas Announcement, or through WilmU e-mail.

#### **D. Course Assignments:**

| <b>Assignment/Category</b> | <b>Points</b> | <b>Weight %</b> |
|----------------------------|---------------|-----------------|
|                            |               |                 |
|                            |               |                 |
|                            |               |                 |

## **COURSE SCHEDULE:**

Check Canvas Assignments weekly for changes or updates. This syllabus is not a contract. It is my intention to keep with the schedule laid out in this syllabus, but I reserve the right to change or clarify course topics, assignments, and deadlines. Any such changes will be found in Announcements (or announced in class), and it is the responsibility of students to keep up with these announcements.

Creating a course schedule provides students with a guide as to when course assignments are due. An example course schedule is provided below- notice how the week number, topics to be covered, and assignments to be completed are explicitly stated:

| <b>Week #</b> | <b>Topic/Chapters</b> | <b>Assignments</b> | <b>Due Dates</b> |
|---------------|-----------------------|--------------------|------------------|
| Week 1        |                       |                    |                  |
| Week 2        |                       |                    |                  |
| Week 3        |                       |                    |                  |
| Week 4        |                       |                    |                  |
| Week 5        |                       |                    |                  |
| Week 6        |                       |                    |                  |
| Week 7        |                       |                    |                  |
