PROGRAM COMPETENCY 3. RUBRIC Digital-Age Work and Learning
STRUCTURE EXTERNAL ASSIGNMENT

COURSE: EDT 6020   **TITLE: Emerging Trends in Educational Technology**

PROGRAM COMPETENCY 3. Candidates exhibit knowledge, skills, and work processes representative of an innovative professional in a global and digital society.

GRADUATION COMPETENCY: *Information Literacy*

EVALUATED ASSIGNMENT: Emerging Trends and Blended or Online Classrooms: Candidates will complete two assignments for this program competency. The first assignment is to design and develop an instructional application that addresses a new emerging technology that can be used for teaching, learning, and research and share the application with others for collaboration. The second assignment is to demonstrate ways to communicate and collaborate effectively with others using a variety of digital tools to solve problems, demonstrate global awareness and cultural understanding.

3.4 Candidates model and facilitate effective use of current and emerging digital tools
