learning activities.

COURSE DESCRIPTION

This course provides a real-life experience for students in their daily
lives. This course is designed to help students gain professional
experience through a job placement program. The course includes
a job placement program, and a reflection paper. Additional career
related assignments may be added to the learning objectives. Students
will complete at least 40 hours of work.

COURSE OBJECTIVES

This course will provide the knowledge and skills

1. Work in a professional setting.
2. Apply skills and knowledge learned in the classroom to the workplace.
3. Create a professional portfolio, write a resume, and record the experience.
4. Reflect on the experience in a final essay.

EVALUATION PROCEDURES AND GRADING POLICY:

Professional Portfolio is graded as follows:

Classroom Instruction is graded as follows:
Reflection: 10% of total effective learning and
Professional Portfolio is graded as follows: 90% of total
