

WILMINGTON UNIVERSITY
COLLEGE OF BUSINESS
BASIC COURSE INFORMATION

COURSE TITLE: **Managing Innovation and Change**

COURSE NUMBER: **LDR 7100**

COURSE DESCRIPTION:

In this course, students will apply innovation theories to their organizations and to cases. They will strategically develop integrated business models and offerings that can't be easily imitated by competitors. They will develop plans to pilot test or prototype these innovative approaches and will think about how to manage possible implementation problems. Stu 01 2.04 ms.
