

Learning Outcomes: Students will be able to:

- C-1 Explain the role of a Global Compliance Professional.
- C-2 Describe the difference between best practices and regulatory requirements.
- C-3 Illustrate 'best practices' in business compliance and discuss their optimal application.
- C-4 Summarize an international regulation with ethical implications; identify the regulatory requirements, best practices and their purposes; recommend an approach.

GOAL D: Learn to effectively assess compliance risks and identify the tools needed to proactively solve problems and mitigate consequences when resolving conflicts between jurisdictional requirements, when a potential failure is identified, or when threatened with regulatory sanctions.
