

- C-3 Examine the shifting concepts of police civil liability.
- C-4 Discuss the failure to exercise good judgement, breach of duty and failure to protect.
- C-5 Examine and discuss how a relationship with the media/press can impact a civil liability claim against an agency.

GOAL D:

Students will demonstrate an understanding of key negligence issues that result in civil liability claims against the agency.

Learning Outcomes: The student will

- D-1 Analyze and discuss the following types of liability: failure to supervise, failure to train and failure to discipline.
- D-2 Analyze and discuss negligent hiring, retention and promotion.
- D-3 Analyze and discuss various situations where negligence liability may arise (use of equipment, failure to protect and negligence in responding to calls for service).
- D-4 Analyze and discuss the Public Duty Doctrine.
- D-5

material and interactive online discussion groups. We will also be viewing several videos and some audial material.

B. Evaluation Procedures: You will be evaluated based on weekly written assignments, exams and based on your level of involvement in weekly discussion groups.

Assignment	Type	Points
