outcomes.

$\frac{3}{4}$ ACCN Essentials D 1, C1.1, SC 1.1e

$\frac{3}{4}$ ACCN Essentials: D3, C3.2, SC 3.f

A note on the use of Online Synchronous Sessions:

This course offers students the opportunity to engage with fellow students and faculty via online synchronous sessions.

Students have the option of attending the live session when scheduled or viewing the session recording made available through an online learning platform.

As these sessions are anticipated to offer valuable learning opportunities, students are expected to attend the live session or view the recording to enhance their understanding of the course content and earn credit where applicable.

is electronically tracked and is a criterion for your final course grade. Communication with your course faculty is essential.

Late assignment submissions will not be accepted unless prior communication and approval have been arranged with the course faculty. No assignments will be accepted after the final day of the course unless the student has established a Student "Incomplete" Course Grade Agreement with the course faculty.

College of Health Professions and Natural Sciences Response Time Policy:

Faculty will generally respond to all student communication within 48 hours unless on a weekend or holiday. Please refer to your course faculty's specific availability as noted within the course.

Online Learning Considerations:

Online learning courses are offered in a ~~seven~~ week format designed to move the motivated student through the curriculum at an accelerated pace. A significant amount of student learning is done via independent assignments and requires the use of the Internet and the ~~Course~~ Learning management system.

Resources for Online Students, including Technical Support, can be accessed at:
