NUR 303: Transition to Baccalaureate Nursing Practice Mandatory Assignment

During this course, all students are required to complete a credentialing assignment. This is a mandatory assignment. The assignment MUST be entirely completed to progress to future core NUR courses. There is an additional fee associated with the credentialing. The fee is paid directly to the Credentialing Company.

The Credentialing Company provides a documentation review, background checks, and drug screening for the students at the College of Health Professions. Complete instructions are found on the College of Health Professions BSN site. Additionally, instructions will be provided within the NUR 303: Transition to Baccalaureate Nursing Practice course. When completing the student profile, students should only provide and use their Wilmington University e-mail address. Students are advised against using or providing a personal email address.

The Credentialing Company will complete the required background check, supply students with instructions on the completion of the drug screen, and house all needed documents for the entire time the student is enrolled in the RN to BSN program at Wilmington University. Students do not send/email documents to Wilmington University, give them to the faculty member teaching the course or staff at Wilmington University campuses. It is fully the responsibility of the student to read the instructions and complete the requirements associated with the credentialing.

Background checks and drug screens must be completed through the credentialing company, other vendor reports are not accepted. Additional documentation required includes a completed Health History form. This may be a copy of the one submitted to admissions, (immunization record [or titers results], that includes Hepatitis B vaccine completion, tDap, MMR and Varicella, current PPD and Flu shot record, COVID vaccination status), current RN license, and current CPR documentation. submitted for the course.

If this assignment is not completed by the end of the course (Week 7), the student will receive an incomplete for the course and may be at risk of earning a failure (F) for the course.

Academic Integrity:

Please familiarize yourself with Wilmington University's Academic Integrity Policy: https://www.wilmu.edu/studentaffairs/academicintegrity.aspx. Plagiarism and self-plagiarism, intentional or unintentional, and the unethical use of Artificial Intelligence (AI) to generate academic work and/or to complete assignments are subject to disciplinary action in accordance with the Academic Integrity Policy. The unethical use of AI reflects on the student the degree and the university.
To assist in identifying plagiarism, TurnItIn is utilized within Canvas. For more information regarding TurnItIn: https://www.wilmu.edu/canvas/turnitin.aspx. See the full academic integrity policy for details.

College of Health Professions Attendance Policy: Because class sessions are highly interactive, any student's absence diminishes the quality of learning for everyone. Students are expected to attend all class sessions, log on, and participate in all online sessions as the course format requires. Failure to do so may be considered an unexcused absence. Be apprised that faculty have the ability to monitor your participation in the course. Note that your weekly attendance is electronically tracked and is a criterion for your final course grade. Communication with your course faculty is essential.

College of Health Professions Late Assignment Process
Late assignment submissions will not be accepted unless prior communication and approval have been arranged with the course faculty. No assignments will be accepted after the final day of the course unless the student has established a "Student Incomplete Course Grade Agreement" with the course faculty.

College of Health Professions Response Time Policy:
Faculty will generally respond to all student communication within 24-48 hours unless on a weekend or holiday. Please refer to your course faculty's specific availability as noted within the course.

Online Learning Considerations:

Online learning courses are offered in a seven-week format designed to move the motivated student through the curriculum at an accelerated pace. A significant amount of student learning is done via independent assignments and requires the use of the Internet and the Canvas course learning management system.

Resources for Online Students, including Technical Support, can be accessed at: http://www.wilmu.edu/onlinelearning/dl_current.aspx

Disability Assistance:

Wilmington University actively supports the rights of students with disabilities to have equal access to education and makes every reasonable effort to make accommodations. For more information: https://www.wilmu.edu/accessibility/index.aspx
