COURSE DESCRIPTION

This course is designed to build a better understanding of good thinking by exploring six intellectual virtues: curiosity, perseverance, empathy, humility, courage, and fair-mindedness. Students will apply these traits in a variety of ways with the goal of becoming better thinkers and decision makers.

COURSE OBJECTIVES

This course will provide students with the knowledge and skills to:

- 2. Develop an appreciation for and commitment to the intellectual virtues.
- 3. Apply the intellectual virtues to multiple forms of expression, such as written material, film, music and art.
- 4. Apply the intellectual virtues to different areas of life, such as personal relationships, media, gender, culture, and academia.

METHODOLOGY
